The certification body has performed an audit of the above product quality system covering the design, manufacture and final inspection of certified product. The quality system has been assessed, approved and is subject to surveillance according to Machinery Directive: 2006/42/EC.

This certificate issued under the following conditions:

1. It applies only to the quality system maintained in the manufacture of above referenced models and it does not substitute the design or type examination procedures, if requested
2. The certificate remains valid until the manufacturing conditions or the quality system are not changed
3. The certificate validity is conditioned by positive results of surveillance audits

The CE mark as shown above can be used under the responsibility of the manufacturer after completion of an EEC Declaration of conformity and compliance with all relevant EEC Directives. The statement is based on a single evaluation of one sample of above mentioned product. It does not imply an assessment of the whole production

Date of Certification: 06th March 2025
1st Surveillance Date: 05th Feb. 2026

2nd Surveillance Date: 05th Feb. 2027
Certificate Expiry Date: 05th March. 2028
(Subject to the company maintaining its system to the required standard)

Certificate Number: CE-0603482
